Md Sazzad Hossain

Junior Full-Stack Developer

Address: North Mugda, Dhaka, Bangladesh   **Github:** sazzad4677

Phone: (+880)1679436054   **Linkedin:** sazzad4673

Email: sazzad4677@gmail.com

Career Objective

A self-motivated, committed and enthusiastic Full Stack Developer from Bangladesh, who is passionate about building web applications in JavaScript (including React.js and node.js). Love to solve problems, write clean and maintainable code for modern web applications. No challenge, in my opinion, is beyond human ingenuity. I'm looking forward to a promising future as a Full-Stack Developer.

Summary

- Have expertise in JavaScript, React Js, Node Js
- Build 3+ big project using react and node js
- Hard worker, quick learner, and ability to assume responsibility
- Work well under pressure as part of a team
- Responsible, efficient, and flexible
- Ability to work in a fast-paced, intense environment smoothly
